### A Note on Snack Time

All students will be provided, daily, an opportunity to eat a healthy snack. We will adhere to “Healthy” all year. No snack food cakes, candy, cookies, chips, and the like will be allowed. While we will not enforce specific mandates, we do encourage items like yogurt, fruit, veggies, popcorn, crackers, and the like.

Water bottles are allowed and encouraged, but for **water** only! Cell phones are discouraged, but are allowed if off, unused, unheard, and unseen at ***all times*** while at school.
