Last Day

Did you know?

*One of the best ways to stay safe this summer is to wear a helmet and other safety gear. Studies on bicycle helmets have shown they can reduce the risk of head injury by as much as 85 percent.

*To be safe against sunburns you should apply sunscreen at least 30 minutes before going outside, and use sunscreen even on cloudy days. The SPF should be at least 15 and protect against UVA and UVB rays.

**June 11th is the last day of school
Have a safe and happy summer!**

Just a Reminder

**For your child's safety, there is NO student
drop off in the staff parking lot.**
